[Start Story]

[Location: The Nexus Factory]

> The Nexus Factory is a place filled with screams of agony and flames that burn flesh, many people who visit it get traumatized into camotose, and those lucky to remain sane; are never the same, forever broken. Nekrosis is one of those people. Nekrosis is a pro wrestler who dressed in a full black unitard with a red "N" on the chest, red boots, red gloves, and a red full head mask with a grey skull on it's face, it hid all parts of his face even his eyes.

Nekrosis: "What the hell is this place?"

????: "I...sense...something..."

Nekrosis: "Who are you?"

Nexus Proustite: "I am the Nexus Proustite, and i sense something...in you."

Nekrosis: "Like what?"

Nexus Proustite: "Anger...hatred...bloodlust."

Nekrosis: "That's normal for me."

Nexus Proustite: "Things like that lead to suffering, not just for others, but also you."

Nekrosis: "I can't help it, some people are just f!@#ing monsters, that includes me."

Nexus Proustite: "Darkness can be balanced with light."

Nekrosis: "I'm not sure."

Nexus Proustite: "Let me show you something."

Nekrosis: "What is it?"

Nexus Proustite: "Pain."

> Suddenly, the Nexus Factory was filled with demons, who resembled humans without layers of skin and gouged out eyes, and proceded grab Nekrosis.

Nekrosis: "Hey! ugh! get off!"
> The demon took off Nekrosis' mask.
Nekrosis: "Give me that back!"
> Nekrosis soon found himself on the floor, being disemboweled, when suddenly a black female wrestler with bodybuilder physique showed up and single-handly fought off the demons.
Nekrosis: "Huh?"
> The woman extended her hand to him.
Nekrosis: "Who...are you?"
????: "Titania."
> Everything faded to white.
[End Chapter]

[Location: Bloodham]
> Nekrosis woke up in a locker room that smelled of human waste. Nekrosis then saw someone approach.
????: "Excuse me, can i get an autograph?"
Nekrosis: "Uh...sure."
> The lady introduced herself as "Yumi 44".
Nekrosis: "Yumi? you japanese?"
Yumi 44: "No, no. well, it's complicated."
Nekrosis: "How's that?"
Yumi 44: "You probably wouldn't believe me."
Nekrosis: "Okay."
> Yumi 44 noticed a laptop near Nekrosis.
Yumi 44: "You game?"
Nekrosis: "Oh, yeah...mostly first person shooters."
Yumi 44: "You play in Naraka?"
Nekrosis: "A good amount of the time."
Yumi 44: "I mostly play roleplaying games."
Nekrosis: "Like, Gardens & Goblins?"
Yumi 44: "Yeah, well...at least the video game adaptions, like Gaia's Gate."
Nekrosis: "I see, i never could get into them but if someone like you finds enjoyment in them; maybe i should give it another try."
Yumi 44: "Well, i mean, i like shooters too, maybe we could play together?"
Nekrosis: "Sure, what's your avatar's name?"
Yumi 44: "Anicca, yours?"
Nekrosis: "Yin. some people think i'm a girl online because of it."
Yumi 44: "Sorry to hear that."
Nekrosis: "It's fine. Maybe we'll play Gaia's Gate together, does it have co-op?"

Yumi 44: "Actually, there's another Gardens & Goblins game; Gardens & Goblin Online."
Nekrosis: "Okay, that sounds great, i..."
> Nekrosis looked away from Yumi, fearing that he was revealing too much.
Yumi 44: "You okay?"
Nekrosis: "I..."
> Yumi 44 tried to look at Nekrosis' face but he kept looking away.
Yumi 44: "Nekrosis, i know i just met you but i'm worried about you."
Nekrosis: "Don't."
Yumi 44: "I can't help it, during your matches; you tend to be violent but i believe that's just a small side of you. Please, open up."
Nekrosis: "Not here, how about when we play Gardens & Goblins Online next saturday?"
Yumi 44: "...Okay, deal. I'm holding you to it."
[10 Minutes Later]
> The arena of the promotion "Slayers of Wrestling" was filled with people waiting to see a slaughter, all in the comfort of a bingo hall.

Yam Kemp.

[Boss: Yam Kemp]
> The two squared up as the referee gave them instruction (or lack there of), Yam Kemp whispered something to Nekrosis.
Yam Kemp: "Please, don't go psycho on me, please."
> Nekrosis scowled at this though it didn't show with his mask. The bell rang.
Nekrosis: "Sure, i won't go psycho on you, i'll just send you to the hospital!"
> Nekrosis sent a heavy right hook to Yam's face, sending her to the mat with a tooth out of her mouth.
[20 Hit Points]

Nekrosis: "Suicide Strike!"
> Nekrosis quickly pinned Yam Kemp.
Referee: "One...two...three!"
> Yam Kemp stayed on the ground, teeth missing, bruised, and blood spilling while Nekrosis was met with a mix of boos and cheers.
Nekrosis: (Blood; it's the only thing that gives me joy but so many people are disgusted by it, i see a painting everytime i cause blood to spatter, a solace.)

[End Chapter]

[Location: Backstage]
> Nekrosis was given just $20 for his match after Yam Kemp was sent to the hospital.
Nekrosis: "Just $20? it cost $50 to come to Bloodham."
Manager: "Go cry about it, psycho."
> Nekrosis just decided to give up and leave while there was still some daylight outside.
Nekrosis: (This is bulls!@#...i'm now $30 in the red, plus the $50 to get back to Martyr Falls. I wish i could just kill that manager and just take the money.)
> Nekrosis looked up to the sky and saw a red comet.
Nekrosis: (Does wishing work like this?)
> Nekrosis thought of what he wanted.
Nekrosis: (Someone...someone who accepted me...that's what i wish.)
> But that red comet soon got brighter and brighter, Bloodham was suddenly hit by the falling object.
Nekrosis: (What the...)

Nekrosis: "...Yumi....."
> As Nekrosis pulled Yumi out, he found that she had been sliced in half from the waist down.
Yumi 44: "....Nekrosis..."
> The blue fluid, wires, and circuits from her body meant only one thing.
Nekrosis: "You're...an android?.."
Yumi 44: "Please...kill me..."
Nekrosis: "I..."
Yumi 44: "Please!..i'll...i'll never be the same again...i'd rather be nothing."
Nekrosis: "Violence is the only value i have."
Yumi 44: "No...just because someone travels through darkness, doesn't mean they can't find light."
> Nekrosis looked Yumi in the eyes and took off his mask; revealing he has black hair and red eyes.
Yumi 44: "...there's hope for you, Nekrosis."
> Nekrosis took a cinder block and smashed Yumi's head in, killing her.
Nekrosis: "....I'm sorry, Yumi..."

Nexus Proustite: "It's never too late to seek help."
Nekrosis: "Easier said than done."
Nexus Proustite: "True, but have you even tried?"
Nekrosis: "What difference would it make?"
Nexus Proustite: "Life is mist; you can only progress by trying even if it lead nowhere."
Nekrosis: "And nowhere is where i always end up."
